Hi Kip,

Thanks so much for this draft! It was very helpful. I made quite a few edits to the facilitator remarks (and one or two associated items), including suggesting some reorganization. Also, the draft gave me better insight into a few details we hadn't discussed yet. I flagged those for discussion on the next call. Or perhaps some of them can be addressed via email, since time starts to grow short! As discussed, any part of my remarks referring to how much time commenters have may need to be adjusted at the hearing, depending on how many folks have signed up.

Jan
